

Total and Permanent Disability (TPD)

Thank you for completing your FAFSA. Your FAFSA has been received and processed. However, you are receiving this additional notice due to one or more pending resolution(s).

“You are currently in the process of applying for or have received a Total and Permanent Disability (TPD) discharge. If you are in the process of applying for a TPD discharge, receiving additional federal student aid may affect your eligibility for a TPD discharge. If you have already received a TPD discharge, you must meet additional eligibility requirements to receive further federal student aid. Depending on when you received a TPD discharge, receiving additional federal student aid may affect your ability to keep your discharge. Contact the financial aid office at your school for further information.”

At this time, **please provide the Waldorf University Financial Aid Office with information regarding your TPD discharge application process or when you received the discharge.** Once we know where you are at in the process or when you were granted the discharge, we will have a better understanding of if we can move forward with your financial aid application and/or how to move forward with it.

Please feel free to contact the Office of Financial Aid at 800.292.1903, extension 8892, or verification@waldorf.edu.
