

## Spouse SSN Issue

Thank you for completing your FAFSA. Your FAFSA has been received and processed. However, you are receiving this additional notice due to one or more pending correction(s).

The Social Security Administration (SSA) couldn't confirm the Social Security number (SSN) reported for your spouse on your FAFSA form is correct.

If there is a mistake on your form, do the following:

1. Log in to [studentaid.gov](https://studentaid.gov) and update your spouse's information, then reinvite them to your FAFSA form.
2. Your spouse must login to [studentaid.gov](https://studentaid.gov) and update their information in Account Settings.
3. Once SSA verifies their account status, your spouse must update the information on your FAFSA form by selecting "Make a Correction."
4. They should navigate through the rest of the form, make any other necessary changes, sign, and submit their correction.

If your spouse believes the SSN reported is correct, they must follow the instructions for updating governmental agencies.

### Updating Government Agencies

1. Your spouse must contact the SSA by calling 1-800-772-1213 or by visiting [ssa.gov](https://ssa.gov).
2. Once your spouse resolves the issue with SSA, they must contact the Federal Student Aid Information Center (FSAIC) at 1-800-433-3243.
3. Your spouse must ask FSAIC to manually sync their data with SSA. Your spouse will be notified by email once a match is confirmed.
4. Reach out to your Waldorf University and inform us of the update.
