

26-27 FAFSA Correction Needed - Parent

Thank you for completing your 26-27 FAFSA. Your FAFSA has been received and processed. However, you are receiving this additional notice due to one or more pending correction(s).

Your FAFSA is missing your parent's personal information. Please go back to the current year FAFSA at studentaid.gov and provide answers for the critical missing data.

Missing information could be:

- Parent personal information data
- Parent unaccompanied homeless youth data
- Parent demographic data
- Parent federal benefits data

Please visit <https://studentaid.gov> to access your already completed 26-27 FAFSA and submit the required correction(s) accordingly. Once corrections are made, make sure you save and submit those corrections.

Our office will receive your corrected FAFSA in roughly three to five business days. Once received and processed, this need will disappear from your financial aid document list.

Please feel free to contact the Office of Financial Aid at 800.292.1903, extension 8892, or verification@waldorf.edu.
